Testimonials

Don't take our word for it - see what our members and guests have to say:

"Dear Cindy & Natalie,

'Huge Congratulations' and 'Thank You' to you both for an outstanding launch for the hills women network today. There's always effort behind the scenes, so please accept my appreciation.

Enjoyed the informal atmosphere.

What a great idea to give everyone a chance to introduce themselves, to say a few words and the opportunity for us all to 'to put a name to a face' - soon we will all know each other!"

Dear Cindy and Natalie,

Just to say THANK YOU for a most enjoyable lunch and afternoon. The women I met are awesome. I caught up with a couple I haven't seen for a little while and will be making some new friends as well.

Will see you in May.

Warmest regards,

Hi Natalie and Cindy,

Thank you for organising the day. Using your term, as a virgin networker and virgin business owner it was great to interact with successful ladies who juggle children, family and the most demanding of all husbands/partners. I came home feeling like I can make my business happen.

Good Morning Ladies

I did not want to let another day go past without emailing to say WELL DONE.

You both organised a fantastic event which I enjoyed enormously.

I look forward to joining the networking group and also look forward to helping where I can to get a Ryde area one going. Most of my friends and work associates are in that area and although we are members of the Ryde Business Forum, there is NOTHING in the area specifically for Women, so count me in, in any area I might be able to help out.

Yesterday was amazing on so many levels but the thing that stuck out a mile to me was WOW, look at this room full of amazing women all making their mark in the world of business. It was awesome.

I had 2 ladies with me that are part of our women in business mentoring program and we had our workshop last night and I told all our other mentoree's about the wonderful day and the launch of your new group and at least 6 of the women said they would love to come to the next event, which was great to hear.

I think they could see how excited we were about the day

Anyway, know your both very busy but just wanted to once again say thank you and well done to 2 amazing women

Have a great weekend

Kindest regards

Dear Natalie and Cindy

Thank you so much for a wonderful SWN Christmas Party. It was more than I had ever expected. There were so many surprises and fun stuff: the amazing entertainment, the great networking game, lucky door prizes, fashion show, auction, and all topped off with some super moves on the dance floor! The mood in the room was amazing, and once again, this is thanks to your passion and enthusiasm and great sense of fun. And I thought we were just going to sit down to dinner - boy was I mistaken! The work that both of you put into all the events is amazing.
